

CV-RCB-36RDP model shown

FEATURES

- Grills constructed of 304 stainless steel including bodies, legs, cooking grates, burners, undershelves, radiants, water pans, fasteners, and pilot tubes
- Every grill comes equipped with a pullout water tray that catches grease and cools food when it drops
- Includes water pans with drain spout to ease cleaning and help eliminate grease fires from occurring
- 15,000 BTUH stainless steel burners - units heat up to cooking temperature within 5 minutes
- The RCB model is available as liquid propane (LP) or natural gas (NG)
- Two 14" wheels and two total lock casters
- Ready to use: ships completely assembled on a skid
