

CV-MCB-42PRO model shown

## FEATURES

- Grills constructed of 304 stainless steel including bodies, legs, cooking grates, burners, undershelves, radiants, water pans, fasteners, and pilot tubes
- Every grill comes equipped with a pullout water tray that catches grease and cools food when it drops
- Includes water pans with drain spout to ease cleaning and help eliminate grease fires from occurring
- 15,000 BTUH stainless steel burners - units heat up to cooking temperature within 5 minutes
- Two stage regulator(s) and hose(s) on LP models
- Comes ready to connect with 3/4 inch flare fitting for the inlet connection
- The MCB model is available as either liquid propane (LP) or natural gas (NG)
- Two 14" wheels and two total lock casters
- Ready to use: ships completely assembled on a skid
