

IGM36 model shown

FEATURES

- Grills constructed of 304 stainless steel including bodies, feet, cooking grates, burners, radiants, water pans, fasteners, and pilot tubes
- Each grill has a double-walled dome with a lift-assist
- 14,750 BTUH stainless steel burners - units heat up to cooking temperature within 5 minutes
- Two stage regulator(s) and hose(s) on LP models
- Comes ready to connect with 3/4 inch flare fitting for the inlet connection
- Includes water pans with drain spout to ease cleaning and help eliminate grease fires from occurring
- The IGM model is available as either liquid propane (LP), Bulk Propane, or natural gas (NG)

Infinite Series Modular Grills

Crafted with precision and offered in a selection of designer-selected colour options, our Infinite Series Modular Grills are the centerpiece of your fully customizable outdoor kitchen.

Modular Components

Engineered to easily integrate with each other so you can assemble components in any configuration.

Pre Assembled

Every product comes assembled, ready to stand alone or connect to other components.

Lifetime Warranty*

We offer a lifetime warranty on the grill body and grates, and a 1 year parts and service warranty.

Quality Assurance

Factory tested by a technician prior to shipping.

CHOOSE YOUR COLOUR

With options in stainless steel and a curated selection of colours, you can unleash your creativity and easily build the outdoor kitchen of your dreams. Additional colours are available upon request.

COMPATIBLE PARTS AND ACCESSORIES

- Optional light package – Includes heat indicating knobs and interior dome light
- Comes with a bun rack, adjustable feet, and dome lift assist
- Additional add-ons and accessories are also available

*Please see full details on warranty coverage regarding commercial and home applications. See product-specific warranty.
